BACKGROUND

On **Saturday 04 September 2021** the international Sudan Studies one day Research Conference will be a hybrid event held in Poland at the National Museum of Warsaw in collaboration with the University of Warsaw and online. Our aim is to bring together researchers in order to explore new innovative approaches to research in Sudan and South Sudan: to encourage connections across disciplines.

The event has been organised through a collaboration of staff and postgraduate students from Durham University (UK) and the University of Warsaw, with additional support from the Ministry of Science and Higher Education (Poland), the National Museum of Warsaw, Morressier and Good Cell.

IMPORTANT DATES TO NOTE:

CALL FOR PAPERS DEADLINE: 31 MARCH 2021

Please submit an Abstract (200-word max) for either a Poster or Podium presentation before 31 March 2021 via this LINK - [CLICK HERE](#)

Confirmation of acceptance will be issued by 20 April 2021

The 5th Sudan Studies Research Conference is a hybrid event taking place on 04 September 2021 in Warsaw and online. Tickets will be available from May 2021.
